Class Descriptions

Kathak Essentials | Levels I-II

One 60-minute class/week

Children are introduced to basic kathak movement along with rhythm and music fundamentals.

Foundational Kathak | Levels III-IV

Two 90-minute classes/week

Children focus on development of rigorous kathak technique and build kathak vocabulary as they begin to understand the intimate relationship of dance and music and apply this foundation towards the art of storytelling.

Leela Youth Dance Company | Apprentice

Three 90-minute classes/week

An audition-based class where children with a strong foundation in kathak technique and a deep understanding of musicality and rhythm, continue rigorous training to build mastery and begin repertoire and performance training.

Leela Youth Dance Company

Three 90-minute classes/week + rehearsals for performances

An audition based pre-professional training, leadership, and performance group. The training program focuses on ensuring that students develop advanced technique, an expansive vocabulary and repertoire, foundational skills in music and percussion, and strong performance skills.

Open Class

One 60-minute class/week

Our open classes welcome adult students (18+) of all backgrounds and levels to experience the joy of kathak dance. The class covers basic kathak dance technique and movement, music and rhythm, and storytelling. In addition, the class introduces students to classic kathak repertoire.
